

Longitudinal section of the *Temeraire's* barbettes with the gun raised for firing in the fore-and-aft line, or (in lighter shade) lowered for loading.

Section of *Formidable's* barbette showing the ammunition hoist interrupted at the shell chamber instead of being continuous from magazine to guns as in previous classes.

Drawings from the book, **BRITISH BATTLESHIPS**

Defence in 1868.

Camperdown.

RUPERT 1894.

"Calassus" 1918.
