

track of the status of your vessel. The point value of the damage received is added in the right hand column. Guns and torpedo tubes that are knocked out can be marked off on the deck plan of the ship. After the game, erase the grease pencil with a tissue and your card is as good as new.

THE LOG SPECIAL

W.S. Novobilsky's article on the German Armored Ship ADMIRAL SCHEER makes Superior's model of that ship the "LOG Special" for this issue.

Pricewise, here's the good news:

ADMIRAL SCHEER Complete: \$4.50
Kit: \$3.25
